About 'Aarvi Tutorials'

Aarvi tutorials is a venture found amidst the Covid 19 pandemic. The constraints of the pandemic made us start with the online mode of coaching.

Now when life is coming to back to normal, we have switched to the usual offline (classroom) teaching.

My passion for mathematics, being a MSc Mathematics and my love for teaching to share my knowledge with Children makes me put in a constant effort to simplify complex concepts for students to comprehend.

Having experience of over 7 years in the field of education in various prestigious institutes of the state, my aim to is to reach students of different caliber to help them achieve their goals. for different grades..

Currently we are taking Only mathematics tutorials for grades

- VIII
- IX
- X
- Will be starting commerce for grade XI as well

About 'Studio Concinnity'

Studio Concinnity is a team of an Architect and an Interior Designer and we undertake Interior Designing, Execution and Renovation: complete solution for redesigning of existing spaces.

The idea and name of Studio Concinnity which means elegance and harmony in design was conceived in the first lockdown in 2020 when I was working from home in Mumbai. After returning to Goa and working for 2 years I realized I wanted more from my profession as a designer.

A freelance project came along just then through an interior designer, now my partner. We found that our thought processes matched and we decided to get the ball rolling for Studio Concinnity in July 2022

At **Studio Concinnity**, Services we provide:

- Designing and execution of interiors - *Residential, *Commercial and *Institutional.
- Renovation and complete solution of redesigning existing spaces.
- Interior design Renovation of existing spaces
